## Holy Souls Field Trip Features

Bring your class to Gardens of Gethsemani for an interactive field trip your students will never forget! Content has been designed by a CISVA teacher to meet many of the prescribed learning outcomes for Christian Education (Gr. 7-12). Students will:

- Learn about God's love and mercy; the real meaning of Halloween; the month of Holy Souls; the afterlife; indulgences; prayer for the deceased; the value of a Catholic cemetery, and more.
- Participate in a spiritual work of mercy
- Gain an indulgence for a soul in Purgatory
  - Note: book between Nov. 1st – 8th, and encourage your students to attend mass and confession within two weeks of the field trip to be eligible for a plenary indulgence.
- Explore our beautiful 56 acres in a self-guided scavenger hunt (see backside), while learning about, honoring, and praying for the souls of many notable deceased who are buried on our grounds, such as archbishops, sisters, priests, a child hero, veterans and more.
- Have an opportunity to get their questions answered about end-of-life issues from the experts on site.

## Field Trips to St. Peter's, New Westminster

Field trips are also available at historic St. Peter's Cemetery in New Westminster, where students will be given an informative tour featuring the important historic people that are buried there.
