Meaningful Memories

A unique experience...

Special people we meet...

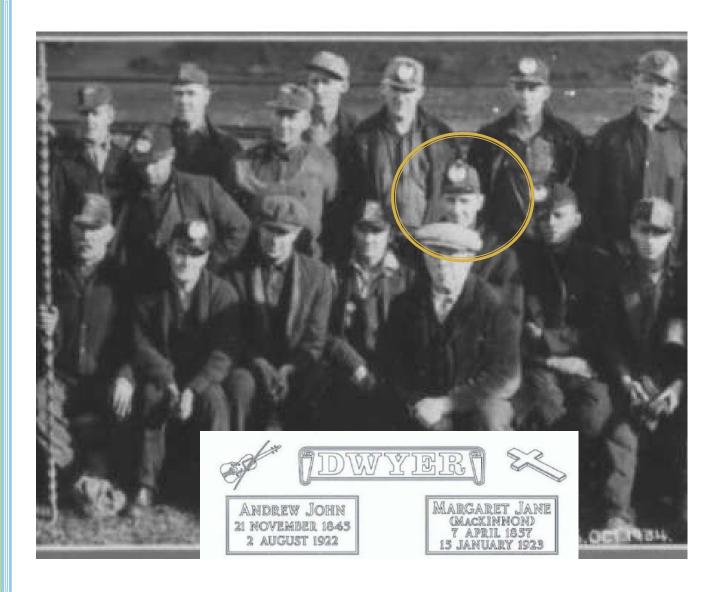

An important event...

Intentions Sharing

Having the talk does not have to be a one-time occurrence.

Document your memories

What you discuss with your loved ones may be helpful when it is time

to commemorate their life.

Talk about the importance of preparation...

Memorialization has changed.

Tell the story of your loved one.

I'm here to help.

Most important: Honoring the people who matter.

Example/ Model of Good Preparation

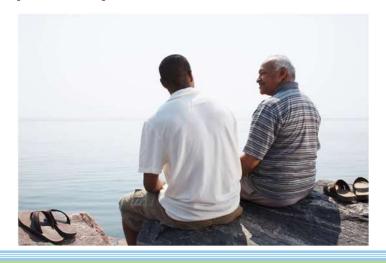

Intentions: How do you want to be remembered?

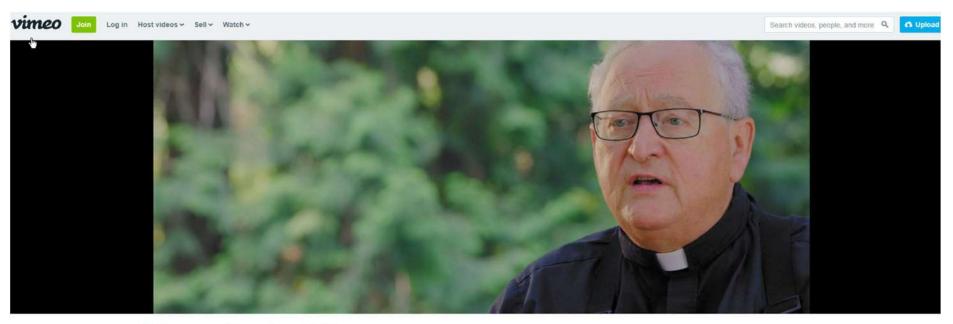

- "How would you like your family and friends to commemorate your life when you die?"
- "Is there something special you would like us to do for you?"

Consider Gardens of Gethsemani as part of your story...

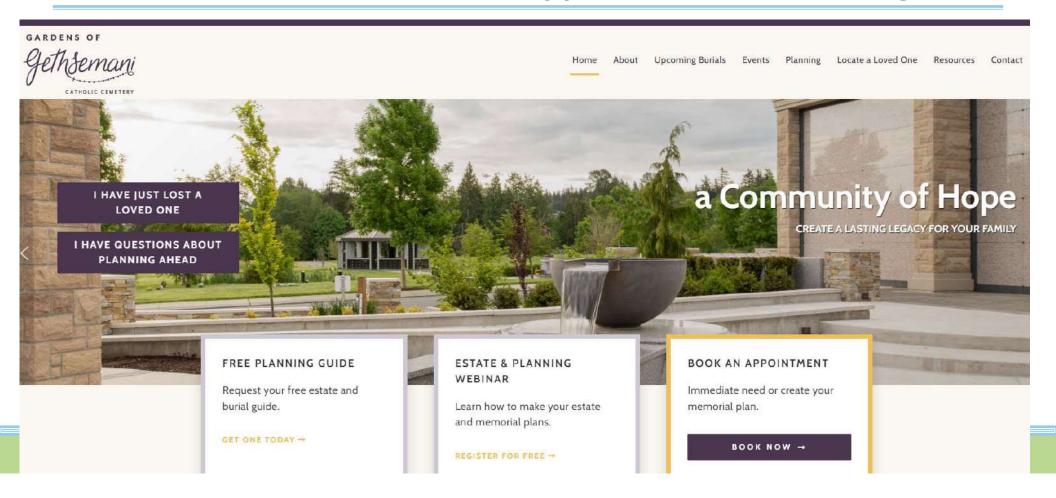

Having the talk of a lifetime can make the difference of a lifetime.
