Background

- ✓ The Gardens of Gethsemani is the main cemetery for the Archdiocese of Vancouver
- ✓ A historical section with 14 Stations of the Cross needed refurbishing. These stations were originally donated by Archbishop Duke in the late 1960s.
- ✓ This area offers guests an area to pray the devotion all year, but particularly during the Season of Lent.
- ✓ The site is located across from a new area called the Stations of the Resurrection – the Way of Light. In essence, Patrons can pray the Stations of the Cross during Lent, then after Easter they can pray the Stations of the Resurrection also known as the Way of Light or Via Lucis.
- ✓ Gardens is seeking partners to help beautify the Gardens. This prayer path is adjacent to the historic Resurrection Chapel housing 4 former Archbishops of the Archdiocese of Vancouver.
